

# FEBRUARY 2024

**F** is for fairy,  
lost in the storm,  
but her friends,  
I am sure,  
will keep her  
from harm.

*"Today is the first of February, snowy, brilliant, but dripping with the sound of spring wherever the sun lies warm, and calling with the heart of spring yonder where the crows are assembling. There is spring in the talk of the chickadees outside my window, and in the cheerful bluster of a red squirrel in the hickory."*

*Dallas Lore Sharp*
